

Welcome to Preschool!

Creative Minds Learning Center #1 at Eastwood Early Childhood Center is a full day program, running Monday –Thursday. **School starts at 8:00am and ends at 3:00pm. You and your child may not enter the building before 7:50am.** You must escort your child to the Creative Minds Learning Center #1 classroom, as you will **sign your child in and out everyday**. This program is reliant on parent/guardian pick up, as **school bus transportation is not available**. Your child may only be released to persons requested by the parent/guardian, so any changes in child pick up needs to be made known to the teachers in advance **BY THE PARENT OR GUARDIAN. Any new persons picking up your child will need to bring Personal ID to confirm their identity.**

Things your child will need:

- A large backpack (labeled with first and last name, preferably on inside of bag)
- An extra set of clothes (to be left at school within child's locker)
- Small blanket or beach towel for rest time (will be kept at school, taken home every 2 weeks for washing)
